Commitment to Attendance

The staff of the school are committed, in partnership with the parents/carers, children, governors and the Local Authority, to building a school which serves the community and of which the community is proud.

The school expects all pupils to achieve at least 96% attendance, with every session missed having the potential to impact learning. Absence should only occur when it is authorised by the Headteacher or designated staff.

Research clearly demonstrates the link between regular attendance and educational progress and attainment. We are committed to encouraging and supporting parents in ensuring their children achieve maximum possible attendance and that any problems that prevent this are identified and acted on promptly.

Parent Responsibility and the Law

The Education Act 1996 Part 1, Section 7 states:

The parent of every child of compulsory school age shall cause him/her to receive efficient full-time education suitable-

- [a] To his/her age, ability and aptitude and
 - [b] To any special needs he/she may have
- either by regular attendance at school or otherwise.

For educational purposes the term parent is used to include those that have parental responsibility and/or those that have the day to day care of the child.

This policy is based on the Department for Education's statutory guidance 'Working Together to Improve School Attendance' (effective from 19 August 2024), and the School Attendance (Pupil Registration) (England) Regulations 2024. It reflects the legal duties under:

- Part 6 of the Education Act 1996
- Part 3 of the Education Act 2002
- Part 7 of the Education and Inspections Act 2006
- The Education (Penalty Notices) (England) (Amendment) Regulations 2013
- The School Attendance (Pupil Registration) (England) Regulations 2024

This policy also reflects Surrey County Council's Attendance Strategy (2024), which prioritises early intervention for vulnerable groups, consistent approaches across schools, and support for Emotionally Based School Non-Attendance (EBSNA).

Registers

Under the provision of the Education Act 1996 (s434) and the Student Registration Regulations 1995 the school must keep an attendance register.

Any child who is absent from school at the morning or afternoon registration period must have their absence recorded as being authorised, unauthorised or as an approved educational activity (attendance out of school). Only the Headteacher or a member of staff acting on their behalf can authorise absence. If there is no known reason for the absence at registration, then the absence must be recorded in the first instance as unauthorised.

Categorisation of Absence

Any child who is on roll but not present in the school must be recorded within one of these categories.

1. **Unauthorised absence**

This is for those children where no reason has been provided, or whose absence is deemed to be without valid reason. This includes:

- Parents/carers keeping children off school unnecessarily
- Absences which have never been properly explained
- Shopping, looking after other children or birthdays
- Excessive illness without medical evidence.

2. **Authorised absence**

This is for those children who are away from school for a reason that is deemed to be valid under the Education Act 1996.

3. **Approved Educational Activity**

This covers types of supervised educational activity undertaken off site but with the approval of the school.

Note: Students recorded in this category are deemed to be present for attendance returns purposes.

This would include:

- Field trips and educational visits
- Sporting activities
- Most types of dual registration

Registration & Lateness

Punctuality to school registration at the beginning of the day with the Class Teacher is one of the most important periods in the day. Lateness to school causes disruption to that individual's learning and to that of the other students in the class. It is paramount therefore that all students arrive at school on time.

Children are expected to be in for 8.55am (the start of the school day). Our gates are open between 8.35am and 8.55am for children to go straight to their classes. The register will be taken at 8.55am. Pupils who arrive after this time will be recorded as 'late' to school and given an L code if they arrive before 9.15am.

If a pupil arrives after 9.15am (20 minutes or more after the register has closed) the lateness will be recorded as 'U' code (an unauthorised absence which will have a negative impact on their attendance level) and can be subject to prosecution by the Local Authority.

Lateness by a pupil will be dealt with by the school in the first instance and may later be referred to the Inclusion Service if there is no improvement.

Afternoon registration will be taken immediately following the lunchtime period.

The School day ends at 3pm for KS1 and 3.15pm for KS2.

Being late for school impacts not only learning but also social development. Children miss the morning welcome and instructions for the day. Five minutes late each day equals three days of lost education per year; thirty minutes late each day equals nineteen days lost.

Escalation Process

If a child is absent for any reason, it is the responsibility of the parent to notify the school before 10.00am on the day of absence. However, if the child is absent and no reason has been provided the following procedure will apply:

First and Second Day Absence

If the school has not been notified, the parent will be telephoned to request the reason for absence. The school will note any reason given for absence and will categorise it as authorised or unauthorised as determined by the school. A message will be left where no contact can be made.

Third Day Absence

The school will telephone the parent to request the reason for absence. The school will note any reason given for absence and will categorise it as authorised or unauthorised. If no response is received by the school, the school will either visit the home address, or contact the police to carry out a welfare check.

Ten Days Absence

Any student who is absent without an explanation for 10 consecutive days will be notified to the Local Authority, by submitting a referral to the Inclusion Service. This is a legal requirement. The school will include details of the action that they have taken.

Where a child is absent from school the following procedure will be followed for welcoming them back. If they have been off for up to 5 days, the class teacher will welcome them back and check that they are okay. For longer term absences a more formal reintegration will take place involving the class teacher and Head teacher/Deputy Head teacher if deemed appropriate, with a plan to catch up if possible work that has been missed.

The staff of Lyne and Longcross CofE (A) Primary School and Nursery are committed, in partnership with the parents/carers, students, governors and the Local Authority, to building a school which serves the community and of which the community is proud. Lyne and Longcross has worked closely together with our partner schools in the North Runnymede Learning Partnership to bring ensure a consistent approach to our attendance policies.

Regular attendance is key to achieving the five outcomes of Every Child Matters: staying healthy, enjoying and achieving, keeping safe, contributing to the community, and social and economic well-being. Research clearly demonstrates the link between regular attendance and educational progress and attainment.

We are committed to encouraging and supporting parents in ensuring their children achieve maximum possible attendance; should any problems arise that prevent this, we aim to identify early and act on promptly.

In cases where a pupil's attendance drops below 95% or a pattern of absence begins to develop, the school will initiate the following stages. Be advised that Lyne and Longcross will attempt to support and work effectively alongside the parents at all stages to ensure an improvement in attendance.

- Stage 1 – A **standard, formal letter** will be sent by Lyne and Longcross CofE (A) Primary School to the parents/carers of a pupil where attendance has dropped below 95%. The letter will outline the school's expectation that there is an immediate improvement in attendance whilst providing an

offer of support to any parent/carer who may require it. A three week period of close monitoring will take place from the day of the letter.

- Stage 2 – Where no improvement is forthcoming at the end of the three week monitoring period, a **second formal letter** will be sent by Lyne and Longcross CofE (A) Primary School to the parents/carers. This letter will register our continued concerns and inform the parents/carers that *no further absence will be authorised without appropriate evidence or discussion with staff, in line with DfE and Surrey guidance*. With immediate improvement expected, another three week monitoring period will begin.
- Stage 3 – When there remains no improvement in attendance, the school will send a **third and final formal letter** informing the parents/carers that a meeting at the school is required to discuss the continual poor attendance and to agree on an action plan. Parents/carers will be asked to contact the office and arrange a meeting with a nominated member of the staff within two weeks of receipt of the letter. Failure to do so will result in the school moving immediately to stage 5.
- Stage 4 – A **formal meeting** will take place at Lyne and Longcross CofE (A) Primary School between appropriate representatives of the school and parents/carers of the pupil. At this meeting, an action plan will be agreed and a further offer of support and help will be made. Upon an action plan being agreed, a final three week monitoring period will begin.
- Stage 5 – Following this final three week monitoring period, if attendance has not adequately improved the school will make **an immediate referral** to the Inclusion Officer (IO) requesting their intervention.

Removing a child from the school roll

Where a pupil is absent from school without authorisation for twenty consecutive school days, the pupil can be removed from the admission register when the school and local authority have failed, after making reasonable enquiries, to establish the whereabouts of the child.

When taking children off roll due to twenty days absence and in order to comply with the Education (Pupil Registration) Regulations 2006 and the Education Act 1996, guidance states that schools **must** ensure that the following applies:

that the pupil has been continuously absent from the school for a period of not less than twenty school days and

(i) at no time was the absence during that period authorised

(ii) the school does not have reasonable grounds to believe that the pupil is unable to attend the school by reason of sickness or any unavoidable cause; and

(iii) both the school **and** the Inclusion Service have failed, after reasonable enquiry, to ascertain where the pupil is.

If any parts of this are not complied with, the pupil cannot be taken off roll.

In the case of a pupil where the parent has requested a leave of absence of over twenty school days it is important that the school notifies the parent that failure to return could result in the pupil being taken off roll.

Once the absence begins, and within the twenty days, even if the school believe that the family are not at home, they must endeavour to make contact with the family by phone and in writing to the home address stating that if the pupil does not return by a specified date, they will be taken off roll. At the same time, a referral should be made to the Inclusion Officer for enquiries to be made.

Schools must notify Surrey County Council if a pupil has 10 days of unexplained absence and may be at risk of being removed from roll. Formal enquiries must be made before removal.

If the pupil does not return by the specified date and enquiries have been made, the pupil can be taken off roll and the parents should be notified. It is not enough just to warn parents that the pupil may be taken off roll, enquiries must be made by school and the Inclusion Service/Officer.

Impact of Absence

Taking a child out of school is disruptive to their learning at the time, before and after the event. Absence may also affect other pupils in the class. Children miss scheduled work and may struggle to maintain progress. Confidence and self-esteem may be impacted, and groupings may need to be changed. Absence conveys a message that other activities are more important than education, which may influence the child's attitude toward school.

Frequent Absence

Whilst any child may be off school because they are ill, sometimes they can be reluctant to attend school. Any problems with regular attendance are best sorted out between the school, the parents and the child. If your child is reluctant to attend, it is unhelpful to cover up their absence or to give in to pressure to excuse them from attending. This gives the impression that attendance does not matter and usually makes things worse.

Our Inclusion Officer meets with the Headteacher regularly to discuss attendance concerns.

In cases where a child begins to develop a pattern of absences, the school will try to resolve the problem with the parent/s by:

1. Phone call to parent by Headteacher/Deputy Headteacher and issues discussed with the child within school.
2. Letter sent to parents stating concerns about attendance, inviting them into school to meet to discuss the issues.
3. Meeting at school with Headteacher and class teacher.

If this does not resolve the attendance issues, the school will refer to the Inclusion Service.

Persistent Absence (PA)

A child becomes a 'persistent absentee' if their attendance falls below 90% across the school year for whatever reason. Absence at this level is considerably damaging to a child's educational prospects and parents' fullest support and co-operation is needed to tackle this.

All absence is monitored thoroughly. Any case that is seen to have reached the PA mark or is at risk of moving towards that mark is given priority and parents will be informed of this immediately. Parents will be notified by a letter if their child becomes a persistent absentee and be invited to a meeting where a plan will be drawn up to address the issues identified.

In addition to persistent absence (below 90%), schools must now monitor and report severe absence (below 50%) as per DfE guidance. These pupils require targeted support and may be referred to the Inclusion Service for multi-agency intervention. Severely absent pupils must be prioritised for support. This may include multi-agency involvement, consideration of EHCPs, or alternative provision.

The school's expected level of attendance is 96%. Attendance below 90% is considered persistent absence. For context, 90% attendance equates to missing half a day of school every week, or four weeks per year. Over a child's time in primary school, this could amount to half a year of missed education.

For pupils whose absence is linked to emotional or mental health needs, the school will follow Surrey's Emotionally Based School Non-Attendance (EBSNA) toolkit, working collaboratively with families and other professionals to support reintegration.

Surrey's EBSNA Toolkit is available at

<https://www.surreylocaloffer.org.uk> and provides guidance for supporting emotionally based school non-attendance.

Failure to ensure regular school attendance

"Where attendance support has been offered and not engaged with, or where unauthorised absence persists, the school may request the Local Authority to issue a Fixed Penalty Notice in accordance with Surrey County Council's Code of Conduct (July 2024). Each parent may be fined £60 per child if paid within 21 days, rising to £120 if paid within 28 days. Failure to pay may result in prosecution under Section 444 of the Education Act 1996."

Part-Time Timetables

Where a pupil is placed on a part-time timetable, this must be agreed in writing with the parent/carer and reviewed regularly. Part-time timetables will only be used for short-term support, particularly for pupils with SEND or health needs, and must be approved by the Headteacher in consultation with relevant professionals.

Reference: See DfE guidance on part-time timetables for SEND pupils:

Exceptional Leave of Absence

There is no automatic entitlement in law to time off in school time to go on holiday

Any savings that you think you may make by taking a holiday in school time are offset by the cost to your child's education. It is widely known that the link between a child's attendance and attainment is irrefutable. The average hourly income of graduates is more than double of those young people who leave school with no qualifications.

In keeping with national policy, the school strongly discourages any absence for holidays during term time and is unable to authorise it. Headteachers may not grant any leave of absence during term time unless there are exceptional circumstances. Applications must be made in advance using the school's official form, available from the school office.

"Leave of absence during term time will only be authorised in exceptional circumstances, as defined by the Headteacher in line with DfE guidance. Holidays during term time will not be authorised. Parents must submit requests in writing, and decisions will be made on a case-by-case basis."

Where a parent wishes to request a leave of absence, a formal request must be made, in writing, to the Headteacher who will consider the application on behalf of the Governors.

If an unauthorised leave of absence is taken without prior authorisation by the school, it will be recorded as an unauthorised absence.

Penalty Notices for unauthorised leave of absences

Penalty Notices

The Surrey Attendance Service, acting on behalf of Surrey County Council may issue a Penalty Notice as an alternative to the prosecution of a parent/carer for their child's unauthorised absence from school and require the recipient to pay a fixed amount.

Circumstances when a Penalty Notices may be issued

1. Pupils identified by police and Surrey Attendance Advice Officers engaged on Truancy Patrols and who have incurred unauthorised absences.
2. **The School Attendance (Pupil Registration) (England) Regulations 2024 state that Headteachers may not grant any leave of absence during term time unless there are exceptional circumstances.**

Where a child is taken out of school for 10 sessions or more and the 'leave of absence' is without the authority of the head teacher, each parent is liable to receive a penalty notice for each child who is absent. In these circumstances, a warning will not be given where it can be shown that parents had previously been warned that such absences would not be authorised and that they will be liable to receive a Penalty Notice if the leave of absence is taken.

3. The issue of a Penalty Notice will also be considered where a pupil has incurred 10 or more unauthorised sessions during the preceding 10 school weeks. The parents' failure to engage with supportive measures proposed by the school will be a factor when considering the issue of a Penalty Notice. Unauthorised absence will include late arrival after the close of registration without good reason.
4. Section 103 of the Education and Inspections Act 2006 places a duty on parents to ensure that their child is not in a public place without justifiable cause during school hours when they

are excluded from school. This duty applies to the first five days of each exclusion. Failure to do so will render the parent liable to a Penalty Notice. If the Penalty Notice is not paid, the recipient will be prosecuted for the offence under Section 103. Alternative education provision will be made from the sixth day of any exclusion and failure to attend such provision without good reason will be treated as unauthorised absence.

With the exception of unauthorised leave of absence taken in term time (Paragraph 2 above) parents will be sent a 'Notice To Improve' their child's attendance, warning them of their liability to receive such a notice before it is issued.

Amount Payable Under a Penalty Notice: The Education (Penalty Notices) (England) (Amendment) Regulations 2024

1. If a parent/carer has not incurred a penalty notice relating to the relevant child/children since 19 August 2024, then the penalty notice will be charged at the rate of £160.00, **per parent/carer per child**, if paid within 28 days. This will be reduced to £80.00 if paid within 21 days of receipt of the notice. Failure to pay the Penalty Notice will result in Surrey County Council considering legal proceedings against you in the Magistrates Court.

2. If you have incurred a penalty notice relating to this child/children since 19 August 2024, the rolling 3 year period will be activated from the date of the first penalty notice and the second penalty notice will be charged at the flat rate of £160.00, **per parent/carer per child**, if paid within 28 days. There will be no reduction for payment within 21 days. Failure to pay the Penalty Notice will result in Surrey County Council considering legal proceedings against you in the Magistrates Court.

3. If you have incurred 2 penalty notices relating to this child/children in the rolling 3 year period since the first penalty notice was issued, then you will NOT receive a third penalty notice – Surrey County Council will have no option but to consider a prosecution, **per parent**

Truancy Patrol

When a child comes to the notice of a Truancy Patrol, their pattern of school attendance is investigated. If there are unauthorised absences in the preceding 4 months, a warning letter will be sent to the parents/carers. If there are further unauthorised absences during the subsequent 15 schooldays, a Penalty Notice will be issued to each parent/carer.

If there is no significant improvement in attendance in the 3 subsequent weeks, a Penalty Notice will be issued. Again, the Penalty Notice fines are as follows:

- £60 if paid within 21 days of receipt of the notice, rising to £120 if paid within 28 days.
- If the Penalty Notice is not paid within 28 days, the local authority is then obliged to prosecute for failing to ensure regular school attendance.

The Inclusion Officer

The Inclusion Officer (IO) monitors the attendance of all children on a half termly basis. The IO will work with school staff and parents to promote good attendance and investigate reasons for absence.

If attendance problems cannot be resolved by school then the school will make a referral to the Inclusion Service. The IO will try to resolve the situation but if attempts to improve attendance have failed or unauthorised absence persists, the IO can use sanctions such as parenting contracts, penalty notices and prosecution.

Failure to ensure regular school attendance, under section 444 of the Education Act 1996, could result upon conviction in a magistrate's court, to a fine not exceeding £2,500 or a term of imprisonment not exceeding three months, or both.

Roles & Responsibilities

All staff are expected to:

- Keep a register of attendance and raise attendance concerns with the Headteacher
- Encourage good attendance and punctuality
- Provide pastoral support to address attendance issues.

The Headteacher will

- Promote the attendance policy within the school and ensure that it is implemented effectively.
- Monitor and review attendance procedures and work with office staff to ensure reasons for absence are identified and interventions are put in place if required.
- Work with families to resolve attendance issues.
- Meet with the Inclusion Officer on a regular basis to identify and action any attendance support.
- Identify and monitor attendance of PA children.

School office staff responsible for attendance will

- Ensure morning and afternoon registers are taken and are up to date.
- Contact parents and request reasons for absence.
- Collate daily attendance records and, together with the Headteacher, put in place agreed procedures to monitor and respond to poor attendance and punctuality.

The Governing Body will

- Monitor and review the attendance policy on an annual basis.
- Agree appropriate absence targets on an annual basis.
- Play an active role in ensuring targets are met by monitoring attendance data on a termly basis.

Data Sharing

The school shares attendance data daily/regularly with the local authority and Department for Education, in line with statutory requirements for near-live data collection.

Attendance data must be shared daily with the DfE and Surrey County Council in line with statutory near-live data collection requirements.
