

Heads Report for PTFA AGM – 12th September 2023

The last academic year was an incredibly successful one for the PTFA and one that members should be very proud of.

Without the passion and drive shown by the PTFA events that have taken place would not have been possible and would not have had the positive impact upon the school and its community.

As a school we recognise the huge effort that was put in by everyone over this past year, be that through organising, or through volunteering to support. It has been great to see the way in which things have developed and benefitted the school community. We are extremely thankful for the time, dedication and effort that was put in by all.

Our thanks go to the committee for their organisation and drive towards supporting the community and in particular the children.

There have been many highlights for the children this year with events that have brought something a little different to their lives such as the bouncy castles that were arranged and the discos that have taken place. One event that stands out in the memory for the impact it had on the community and the spirit that was shown to keep going no matter what, was Lyne Fest. How great it was to see so many members of our school community joining in, pulling together and enjoying themselves. This was a great event to get into the calendar and one that we hope can become a regular feature in our lives.

Through the funds raised over this past year, so many positive outcomes have been achieved. Books have been purchased to support children in their starts within reading, laptops have been ordered to help further support the children with the Computing lessons and many other purchases have been made along the way to help enhance the lives of our children.

As a staff we have discussed the pivotal role that the PTFA play and have many members of staff who are keen to be involved and assist with events and fund raising over the upcoming academic year. Through working in partnership, I am confident that another fruitful year will be before us and that whatever goals we set and whatever funds we aim to raise will be reached and used efficiently to make the children of Lyne continue their educational journeys filled with joy.

The PTFA make a huge difference to the lives of the children, and on behalf of all, thank you for being a part of something special and for the time that you invest in the lives of the children.
