

Dear God

Thank you for all our friends,  
families and teachers and what they  
do for us.

Thank you for the food on our plates.

Thank you for keeping us all safe.

Thank you for the world, the  
environment and animals around us.

Help us to have faith and respect  
each other.

Help us to be kind to each other and  
able to keep ourselves happy  
and healthy.

Amen.
