

Dear God,

Please help us to show kind, friendly faces to everyone in our school. If we get something wrong, please us to solve the problem. Help us to always have courage and to never give up, even when things are hard.

We pray that we stay healthy and strong this year. Thank you for our food and water and safe school.

We know we get a second chance if we do something wrong. Please help us to forgive each other. We want to show faith and fairness towards others. Help us to be resilient and to help others to be resilient too.

Help us to make everyone feel like they belong in our school. We want this year to be great!

Amen
