

As scientists we will ...

- Explore space. We will look into our solar system and the order of planets from the Sun, and we will investigate the movement of planets in relation to day and night.
- Investigate forces to find out how they work and the effects of these forces on nature.

As writers we will be...

- Creating setting descriptions, writing non-chronological reports, creating informational pages about the planets, writing formal and informal letters, using dialogue, building setting descriptions, creating diary entries, writing poetry and using third person and first person narratives.

As mathematicians we will be...

- Consolidating our understand of place value
- Developing our knowledge of addition, subtraction, multiplication and division.
- Exploring fractions and looking closely at fractions greater than 1.

As historians we will ...

- Explore Britain since 1948 and how home life, work life, etc. has changed.
- Be investigating the main events from these time periods and comparing these with each other and current times.

Year 5

Earth and Beyond

As artists and designers we will be...

- Exploring street art and the many varied forms of art in public spaces.
- Designing bridges and learning how structures support them.

Using our computing skills we will be...

- Understanding computer systems and how information is transferred between systems and devices.
- Creating vector drawings and learning different tools to create images

Our Key Learning Questions:

- What is in our Solar System?
- What are other planets like?
- Where is the Grand Canyon?
- How has life in Britain changed since 1948?

In RE we will be discovering...

- For Christians, how did the Church begin – and where is it now?
- What do Christians believe about creation?
- What do Christians believe about the Messiah?

As Spanish speakers we will be learning...

- To count up to 100, what we have in our pencil cases and our birthdays.

In PSHE we will be exploring...

- Being me in my world: considering my goals, actions and rights
- Celebrating difference: understanding how people lead different lives for different reasons

As musicians we will be learning...

- How to compose notation related to the Ancient Egyptians.
- To compose and perform a melody.

In PE we are...

- Developing and refining our dancing skills and applying this to a new style of dance which focuses on dance by chance.
- Learning to play netball and developing our skills in this sport.

As geographers we will ...

- Be exploring The Grand Canyon and how it was formed, the climate conditions and the different environments found there.
