- Marvellous Me
- I will always be around the gate at the end of the day if you ever need to ask a quick question

What sort of start is your child getting?

Just a little bit late doesn't seem much but.....

He/She is only missing just....	That equals....	Which is.....	and over 13 years of schooling that's...
10 minutes per day	50 minutes per week	Nearly 1.5 weeks per year	Nearly <u>Half a year</u>
20 minutes per day	1 hour 40 mins per week	Over 2.5 Weeks per year	Nearly <u>1 year</u>
Half an hour per day	Half a day per week	4 Weeks per year	Nearly <u>1 and a Half years</u>
1 hour per day	1 day per week	8 Weeks per year	Over <u>2 and a Half years</u>

Did you know your child's best learning time is the start of the school day?

That's when every minute counts the most!!

EVERY DAY COUNTS!

Finally...

Keep in touch! We want this to be a happy, fun and successful year for all of the children - please let us know if you have any questions or concerns over the year.
