

As scientists we will ...

- Explore light. We will look into how light travels and how it allows us to see and we will investigate the effect of the light source on the size of a shadow.
- Explore electricity. We will build more complex circuits and investigate how different components and changes in a circuit can have different outcomes.

As writers we will be...

- Creating newspaper reports, writing formal and informal letters, using dialogue, building setting descriptions, creating diary entries, writing poetry, using third person and first person narratives and creating biographies.

Our texts are: Letters from the lighthouse, Malala, Coming Home, The Lady of Shalott and War Horse

As mathematicians we will be...

- Consolidating our understand of place value
- Developing our knowledge of addition, subtraction, multiplication and division.
- Using ratio and proportion
- Converting between and using units of measure
- Explore shape, including how to find the area and perimeter of more complex shapes.

As historians we will ...

- Explore how Surrey responded and changed during the significant times of the 1910s, 1940s and compare with modern day

As geographers we will ...

- Extreme climates on earth and the effects of natural disasters

Using our computing skills we will be...

- Understanding communication and collaboration using technology and the internet
- Explore how to make variables when programming

As Spanish speakers we will be learning...

- How to tell the time and use time phrases in sentences

In PE we are...

- Developing our outdoor and adventurous activities (OAA) and improving our orienteering and map skills
- Learning to play volleyball and handball and developing our skills.
- Enjoying yoga and learning about mindfulness as we build strength and flexibility

Year 6

Autumn Term 2024-2025 War and Peace

Our Key Learning Questions

How does war effect communities and individuals?

What is peace?

As artists and designers we will be...

- Exploring symbols of peace and develop our painting skills
- Planning, designing and making burgers

In RE we will be discovering...

- What do Christians believe about the Messiah – and why is it good news?
- How is God Three and yet, One?

In PSHE we will be exploring...

- Being me in my world: considering my goals, actions and rights
- Celebrating difference: understanding how people lead different lives for different reasons

Homework:

- CGP maths and SPaG revision guides
- Regular reading, spelling practice, TT Rockstars
- Learning poetry by heart
