

OWL CLASS
YEAR 6

Miss Neilson

Mrs Uddin

Mrs Rice and Mr Porter on a Thursday

MISS NEILSON

- This year is my fourth at Lyne and Longcross
- It will be my sixth year teaching year 6 having previously taught in KS1
- I lead Science and Maths in the school, as well as KS2

SIMILARITIES AND DIFFERENCES

The school day will still have the same structure, same lessons and the same behaviour expectations.

Some changes:

- PE days are Monday and Tuesday
- We practice and test **99 club** on a **Wednesday** and **spelling** on a **Thursday**
- Homework is due on a Thursday and then set on a Friday. It is completed in CGP 'revision style' books. It is always linked to our learning and should be able to be completed fairly independently. If you are struggling, please seek my help sooner rather than later.

SATS

- SATS forms the end of KS2 assessment. **Monday 12 May - Thursday 15 May 2025**
- **SPaG (Spelling, Punctuation and Grammar) x1**
- **Reading x1**
- **Maths x3**

SECONDARY SCHOOL

Applications deadlines are during the autumn term

Communication between primary and secondary school begins in the summer term.

We begin transition activities to prepare children for their time in year 7 and beyond.

Production

Leavers church service with new reception (Sunday service)

Leavers assembly (followed by family picnic)

PTFA funded event (children to choose) and End of SATs treat

Anything else is organised by parents

RESIDENTIAL

Osmington Bay Summer 2025
Sunday 18th May 2025 to Wednesday 21st May 2025

We will ask for:

Confirmation that your child would like to come

A deposit to secure your place

Final payments in instalments throughout the year

It will involve a mix of fun activities which will be confirmed closer to the time. They won't all be adrenaline thrills or focused around climbing/heights so will suit all children.

It's a great final celebration of their time at primary school and time to build more memories before heading onto the next chapter

COMMUNICATION

Marvellous me: Updates, reminders and information

Upcoming events and things to note

Parentmail: Trips and school wide messages

Contacting me:

Via the info email account

Pick up at the gate

Thank you
