

Android Tablet Installation Instructions

These instructions have been specifically designed for Kindle Fire tablets but can be also be used for other Android tablets.

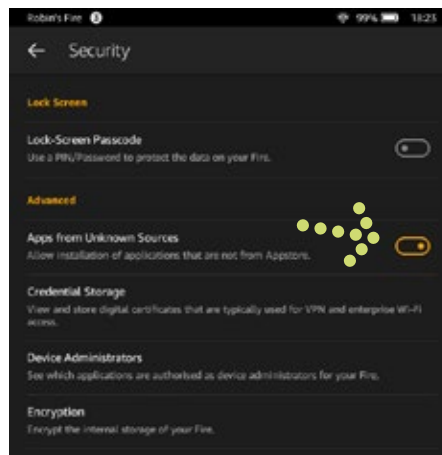

1

Open 'Settings' App on tablet.
Click 'Security' within settings.

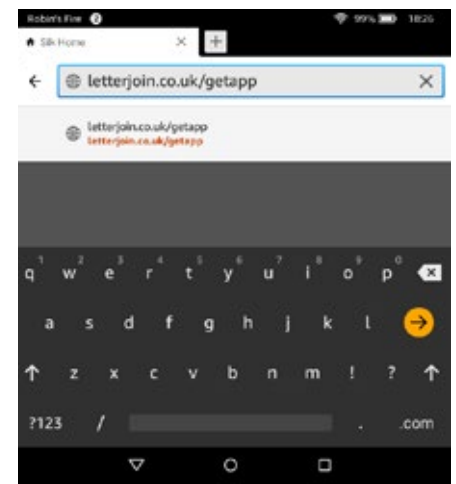

2

Turn on 'Apps from Unknown Sources'.
This allows apps to be installed that have not come from the Amazon AppStore (Kindle Fire and Fire HD) or the Google Play Store (Android Tablets).

3

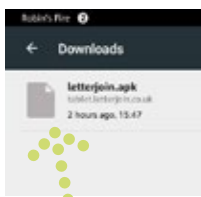

Go back to the Home screen and open:
• Silk - if using a Kindle Fire.
• Google Chrome - if using other Android tablets.
Open: www.letterjoin.co.uk/getapp

This will download a Letter-join app installation file to the Downloads folder on your tablet (4a). Open the download when it has completed and you are then asked if you wish to proceed with installation. Choose 'Install' (4b).

Once installed, a Letter-join icon is placed onto your home screen - it may be on page 2, so you may need to swipe across/down. Open this to start Letter-join.
