more than most organise object votes pictogram data count attribute same most popular	less than least data tally chart total enter compare explain group different least popular
--	---

By the end of this unit, you will be able to...

- recognise that we can count and compare objects using tally charts
- recognise that objects can be represented as pictures
- create a pictogram
- select objects by attributes and make comparison
- recognise that people can be described by attributes
- explain that we can present information using a computer
